Language Independend Static Code Analysis

## Lasse Schuirmann and Fabian Neuschmidt

What's That For?

- Automatic code prereview

  – Ease code review

- Help newcomers to get formalities right

- Find and fix trivial issues fast

- Improve code quality!

coala

Ok. What is it?

OO

extensible

WORK IN PROGRESS

>95% unit tested
(statement coverage
and branch coverage)

Openly developed
by a friendly
two-man community

modular

configurable

flexible
